RESPONSE TO NOTICE OF NON-COMPLIANT SEQUENCE LISTING

MAIL STOP AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Notice to Comply with Sequence Listing requirements, mailed 10 May 2007, applicants submit that no response is necessary. Specifically, there are no sequences in the specification or claims that require compliance with the sequence listing rules.

Because the mailing of the Notice was Office error, and because there is no response to file, Applicants assert that no extensions of time should be due. Nonetheless, to avoid abandonment of this application, the USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
